

2004 –The CIEH in Wales year in focus

Julie Barratt
Director
CIEH Wales

Issues in 2003

- Raising the profile of CIEH,
- Providing member services,
- Influencing policy makers and others.

Indicators of success

- Members more aware/engaged
- CIEH seen as valuable partner
- Students looking to CIEH
- Wales being held up as example of BP
- Growth in membership

Increasing influence ⁽¹⁾

Environmental Tobacco Smoke

- CIEH National Policy
- CIEH invited to join First Ministers Ad Hoc Tobacco Advisory Group
- Launch of ETS Tool Kit – Carmarthen 18/11
- Response to WAG Consultation on Smoking in Public Places
- Evidence to WAG Committee on Smoking in Public Places 13/01

Increasing influence ⁽²⁾

Skin Cancer and Sun Awareness

- Genesis – Pink Nose Day – MTCBC
- Rolled out in 6 authorities in Wales as ‘Beat the Burn’
- Now CIEH National Policy
- National Conference in Cardiff – 19/05 – NICE to launch new standards
- All Wales ‘Beat the Burn’ Campaign for w/c 23/05 2005 – supported by WAG, NPHS and Lloyds Pharmacy

Increasing influence ⁽³⁾

- Minister for Health & Social Services requested meeting with CIEH every 6 months for update on action taken,
- CIEH invited to meet twice a year with WAG Environment Division
- CIEH provided evidence CMO's Task and Finish Group on Public Health Training
- CIEH working with WAG Health Promotion Division on IIA and HCW initiatives
