Any additional comments

Thank you

A great day for information and very approachable speakers/good food.

Thank you

Kevins talk boring as usual. Julie very interesting.

Denise commanded her audience – lovely.

Good variety of speakers and helpful not to commence until 10pm to assist attendees in arrival at appropriate time.

Really enjoyed all the speakers.

Good informative day – interesting topics covered. Well worth visit.

A good forum yet again with excellent speakers. An enjoyable day.

Very useful event that will help my business development.

Very well organised, congratulations to the committee on an excellent event.

As a 'first timer' I found the occasion of great interest. Look forward to the next time. Thank you.

Any ideas for future forums

Discussion on the progress on the 'All Wales manual Handling Passport' –
HSE opinion provides response.

Private funding for training providers

How about someone to give brief about changes in legislation?

Preventing the spread of infection

More of the same

Very good place with the same provisions

Once new qualifications are established a special forum to discuss trainers
assessment of them.

How to train, what is training and funding.

Comments for Chartered Institute of Environmental Health

Well presented, nice to see EHO's being used in this way (JB – Eat Clever
Tool Kit)

So many changes to programmes, we really need to be kept up to date (KW
– CIEH courses) .
