

CIEH Cymru Wales Management Board

**Environmental Health Student &
Training Officers Training**

Tuesday 21st September 2010

**Media Resources Centre,
Oxford Road, Llandrindod Wells**

LD1 6AH

Chartered Institute of
Environmental
Health

Sefydliad Siartredig
Iechyd yr
Amgylchedd

**Experiential Learning Portfolio (ELP) & Professional Examinations
Training Day**

Outline Programme

Delegates will be provided with a valuable insight into the Professional Examination Interview process and guidance regarding completion of the Experiential Learning Portfolio (ELP).

The day will provide an opportunity to direct questions to one of the leading Professional Examination and ELP Assessors, Peter Wright whom has a wealth of experience for delegates to draw upon.

Prior to the day delegates will be expected to consider what they would like to get out of the day and be prepared to contribute their 'needs and wishes' during the interactive sessions in order to ensure maximum benefit from the training event.

Lunch will be provided at the event.

Who should attend?

All Environmental Health Students currently in or about to embark on their 3rd year or end-on training placement and their Training Officers.

How do you register?

Please send your name, email address, contact telephone number, name of your training placement provider or the university at which you are attending and details of any special dietary requirements to lisa.elliott@blaenau-gwent.gov.uk or alternatively contact Lisa Elliott on 01495 355076.

Please note this a subsidised "free" event and that as there are a limited number of places at the training event priority will be given to those Students currently attending UWIC or placed with a Welsh Training Provider.

The CIEH reserve the right to amend the programme without prior notification
